This is not a traditional volunteering role and we want it to suit your life style.

**It would help if you could tell us a little about you below, including your interests, skills and experiences. Please use a separate page if you need it.**

Our Community Ambassadors may be asked to carry out their role in many ways and it's up to you what you choose:

- Volunteering regularly by attending meetings, events or through collecting feedback.
- Only becoming involved when a project arises that matches your skills, experiences and interests.
- Becoming a critical friend, occasionally reviewing documents from home and making comment.
- Becoming a point of contact who can facilitate talks to certain groups of the community.
